VOTERS FOR ANIMAL RIGHTS

Since 2017, Voters For Animal Rights has evaluated candidates up and down the ballot and endorsed those who will fight for animals in New York's City Hall, Albany and Washington.

This record collects every endorsement, from City Council to Congress, and notes the candidates who went on to win.

Past Endorsements

2017 – 2026

We help elect candidates who support animal protection, lobby for strong laws to stop animal cruelty, and hold elected officials accountable to humane voters.

How to read this guide

Every VFAR endorsement from 2017 through the 2026 primary, newest first

How we decide who to support

All candidates complete a questionnaire and some are invited to participate in a Zoom interview, after which our Elections Team and Board of Directors evaluate and vote. The questionnaire is very important, but it is one of several factors we weigh. Interviews let us go more in depth with candidates and confirm their positions on the record.

✓ WON marks an endorsed candidate who won the race VFAR endorsed in. For primaries, the badge reads ✓ WON PRIMARY. Where VFAR ranked or co-endorsed several candidates, the badge names the winner. #1 #2 indicate VFAR's ranked-choice order.

NO PRIMARY OPPONENT marks a primary endorsee who faced no challenger on the ballot. This is noted for the 2026 primary (all races), the 2025 NYC primary (City Council), the 2022 primaries (New York City Senate and Assembly races) and, where confirmed, 2021.
